

Bad position of company drop-down list

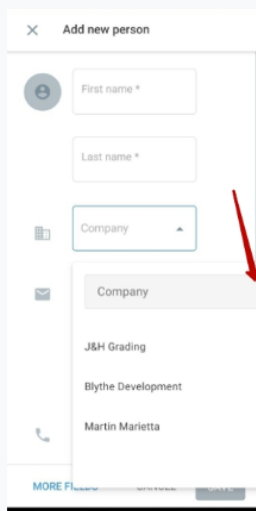

As you can see in web version the situation with adding a company from drop-down list is normal:

But, in the mobile version unfortunately can't see searching icon and the position isn't neat:

But, in the mobile version unfortunately can't see searching icon and the position isn't neat:

So maybe we should make this drop-down list centered or maybe we should cut it from the right side. I think the second variant will be correct.

And the same situation with TIMEZONE and STATE
