The screenshot shows the FleetChaser console interface. On the left, there's a sidebar with navigation icons. The main area displays 'Vehicles' with a list of vehicles including '963B Loader', 'Bobcat 770', 'F450 service truck', 'John Deere 850J', and 'LM 01'. To the right, there's a 'Vehicle work hours' section with a table. The table has columns: Date, Day, Start, End, Status, and Hours Worked. A red arrow points to a dead arrow icon in the first row of the table header.

▼	Date	Day	Start	End	Status	Hours Worked
▼	10/10/2022	Mon	06:19 am	05:48 pm	1	11:29
▼	10/11/2022	Tue	11:23 am	04:37 pm	1	05:14
▼	10/12/2022	Wed	06:37 am	04:52 pm	1	10:15
▼	10/13/2022	Thu	06:42 am	04:40 pm	1	09:58
▼	10/14/2022	Fri	11:40 am	03:23 pm	1	03:43

- Actual result: this arrow isn't clickable
- Expected result: there must be no arrow in this column
- Bug reproduction: 5/5

We need to remove the arrow from the table header
