

## Links on a general screen for all reports (WEB version)

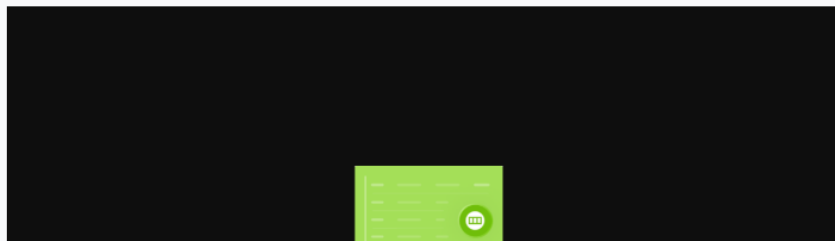

•Description: We need to add links for all reports to have the ability to open all reports in new tabs

•Attachments:

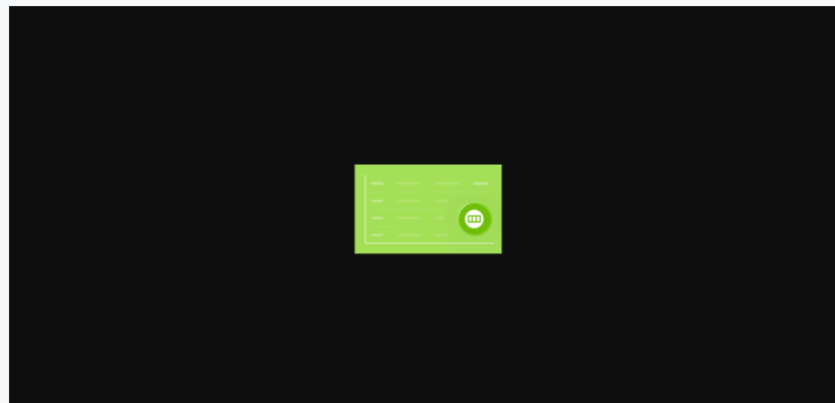

When I'm clicking with the right button on a mouse I must have the ability to open reports in new tabs

The same story when I'm clicking on the image:

The same story when I'm clicking on the image:

•Why do we need this feature?

For better UI/UX

•For what users it will be useful?

For all who're using a product's web version
