

## Different loading circle position in Reports section

So, when I'm going into "Reports" section I can see different reflection of loading circle. For example, when I'm choosing Bobcat or any other vehicle in "Maintenance report", after that I see a loading circle in the left upper corner:

Then in "Vehicle work hours" the circle is on the upper side to (centrifiged) it's not so good too:

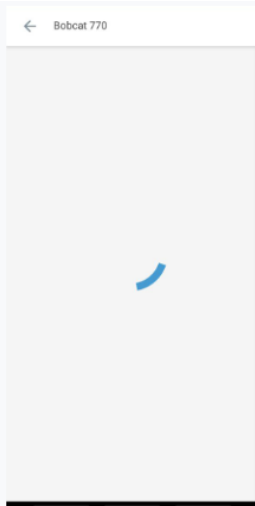

Please try to make this circles like in "Vehicle state report":
